

ORLEN OIL STANDARD SG/CE 15W-40

General features

ORLEN OIL STANDARD SG/CE 15W-40 is a multi-season engine oil based on highly refined mineral base oils, a package of refining additives improving anti-wear, anti-corrosion, antioxidant and anti-sediment properties.

Application

ORLEN OIL STANDARD SG/CE 15W-40 is intended for all types of diesel, turbo-charged and supercharged engines operating at low and high loads. It is also recommended for heavily exploited motor vehicles and for petrol engines of older types where the manufacturer recommends that API SG class oils be used or lower. It can be successfully used in trucks, construction equipment and buses.

Quality class

API : CE/SG

Viscosity grad

SAE: 15W-40

Physical and chemical properties

Parameters	Unit	Typical values
SAE viscosity grade	-	15W-40
Kinematic viscosity at 100 °C	mm ² /s	14,6
Viscosity index	-	130
Pour point	°C	-24
Flash point	°C	226
Total Base Number TBN	mg KOH/g	9,0
Sulfated Ash	%	0,90
Noack volatility	%(m/m)	12,8
Note: The above values of physical and chemical parameters are typical values. The actual values are indicated in the quality certificates attached to each product batch.
